Where: Sydney Inner West

Cost: \$289 pre-booked
(or \$349 on the day)

Book: 0400 809 922

SNAKES OF AUSTRALIA

DANGEROUS & HARMLESS

Certificate
and
freebies

Guest speaker: Peter Mirtschin

- Peter Mirtschin is the author of Snakes of Australia - Dangerous and Harmless. He is also the founder of Venom Supplies and co-founder and director of Venom Science and is widely acknowledged as an authority on snake venom.
- Understand the usage of antivenom and snakebite diagnostic measures used in snakebite. Get an overview of the differences between, and the hidden dangers of, the major groups of venomous snakes in Australia.
- Review of SVDK usage, snake anatomy and handling tips. Get up to date knowledge on snakebite issues that can occur with snake keepers and catchers.
- Includes Living with Snakes and other Reptiles book (CSIRO), wildlife coffee mug, information sheets and a Certificate of Attendance.
